## Year-End Teacher Gifts

The time is again approaching when families wish to give year-end gifts to teachers and staff. As we will no longer collect and distribute gift money in the office, if you are planning to give to your child's/children's teachers, please plan to give to them directly. Thank you.

## Needs-based Scholarship Forms (Tuition Assistance) – NOW DUE

Last week, a tuition assistance form was included in the memo to *all* CHS families. If you are having difficulty paying tuition and wish to access this fund, please submit the form with a copy of your most recent tax return **by June 15**.

If you are currently on tuition assistance, it is important to let us know if your situation is the same or has changed. Not re-applying could result in your tuition automatically defaulting to the full amount, causing confusion later on. Thanks.

**Don't forget to check your homes for overdue library books!**
