Year-End Teacher Gifts

The time is again approaching when families wish to give year-end gifts to teachers and staff. As we will no longer collect and distribute gift money in the office, if you are planning to give to your child's/children's teachers, please plan to give to them directly. Thank you.

Needs-based Scholarship Forms (Tuition Assistance) – Due June 15

Last week, a tuition assistance form was included in the memo to *all* CHS families. If you are having difficulty paying tuition and wish to access this fund, please submit the form with a copy of your most recent tax return **by June 15**.

If you are currently on tuition assistance, it is important to let us know if your situation is the same or has changed. Not re-applying could result in your tuition automatically defaulting to the full amount, causing confusion later on. Thanks.

Classroom Notes

Kindergarten Notes

- **On Friday, June 11, we will be participating in a Fire Road Show.** The children are taking home their “Learn Not to Burn” booklets today. Be sure to ask them about their fire safety knowledge.
- This Friday we will also be celebrating our **summer birthdays**.
- **Father’s Day: Next Friday, June 18,** we would like to invite any dads who are able to come at 8:15 a.m. for morning coffee and a muffin. Bring your child, of course, so he or she can present you with a Father’s Day gift. We hope you can make it, though we understand if you can not.
- **Wednesday, June 23rd is our last day of kindergarten.**
- **June 25th Awards Night:** Please note that Friday, June 25th is an admin day and there is no school that day. **The CHS Awards Night is in the evening of the 25th at 6:30 p.m. at Grand Valley Church.** All students and parent volunteers are recognized so you are expected to attend. See you there!

Grade 1 & 2 Notes

- Enclosed in today's memo you will find a bright ORANGE paper informing you about our **trip to the Riverbank Discovery Center**. Please indicate on the form if you are able to drive and how many children your vehicle can accommodate.
- **Shay's 1st year Birthday party is on Friday.** Please send \$2 if you have not already done so. We are going to give her some... you guessed it...BOOKS!
- Many of the Grade 1s and 2s have indicated to me that they would like to perform with their instrument in front of the school. Please help your child be organized for this as **we will begin performances this Thursday**. We will have next Tuesday for our mini recitals as well.

Grade 3 & 4 Notes

- **Memory Verse: Philippians 3:14 due Friday**
- Thanks to Mrs. Peters for taking the grade fours to the Amazing Agriculture Adventure.
- Some grade 4 students are at the city track meet tomorrow.
- I've scheduled a **field trip to Souris on June 24**. Information and permission slips are going home today.

- There will be no assigned homework, only memory verses. Any work sent home is incomplete work.
- **Math and Bible review papers are going home today.** Thanks.

Grade 5 & 6 Notes

- There will be a **Social Studies test on the "Settlers" on Tuesday, June 15**. Students will receive a review sheet, but should also study their notes from the unit.
- There will be a **test on the "Make It Real Game" on Friday, June 18**. Students will receive a review for the test.
- **We will be going to Shilo to the RCA Museum, the Westman Reptile Gardens, and Twisters for our year end field trip on June 24.** If you would like to help with driving and would like to spend the day with us, please let me know. A permission form will be coming home soon!
- **Grades 5/6 Bible Verses – Psalm 23:4-6**
- **Brandon School Division Track Meet tomorrow at the Sportsplex.** Permission forms need to be given to Mr. Schroeder in the morning if they are not in yet. If it is raining, cancellations will be mentioned on the radio between 8:00 and 8:30 a.m. Students were given a paper today with a schedule on it and when students have each of their events. If a student is scheduled to be at a running event and a field event at the same time – they must go to the running event first, and then go back to the field event after.
