

# Vista VIP & Christian Heritage School

## Do more with the money you already spend!

### Make Every Dollar Count

The Vista VIP (Voucher Incentive Program) is an innovative fundraiser that harnesses the buying power of Christian Heritage School families to raise funds *effortlessly*.

You simply purchase VIP vouchers at face value then spend them like cash! Thanks to agreements made with major retailers, a portion of every dollar you spend is returned to CHS as a fundraiser. Returns range from 2%-10% and these vouchers do not expire.

We urge you to simply look at the dollars your family would typically spend and convert that amount, whenever possible, into VIP vouchers. For your convenience, vouchers in various denominations for groceries, gas, entertainment, gifts and clothing can all be purchased.
