## COMMUNITY LETTER FOR 2 POSITIVE COVID-19 CASES IN OUR SCHOOL

A member of our school community has informed us that their children (Grade 6 and Kindergarten) tested positive for COVID-19 and were in attendance during the infectious period on Dec. 13-14<sup>th</sup>. I believe it was not acquired at school. While we await a public health investigation, I have contacted individuals who I believe are close contacts and advised them to self-isolate, unless exempt, according to <https://manitoba.ca/covid19/fundamentals/self-isolation.html>.

If you have not received separate direction from the school or Public Health, we do not believe you/your child are a contact and nothing further is required at this time. Please note: We are not permitted to release the name of a confirmed case of COVID-19 to any member of the school, community, or media.

We continue to work with Public Health and will provide more information, as necessary, as it becomes available.

For more public health information about COVID-19, please visit <https://manitoba.ca/covid19/updates/resources.html>

Sincerely,

Mr. Schroeder  
Principal
