Dear Parents,

Each year, a school supply list is sent out to every family for each grade represented in their home. This page outlines all fees and requirements necessary for the 2026-2027 school year.

Each family with a child attending school full time will be required to pay an annual fee of \$150 for lunch supervision.

Classroom teachers have prepared pre-set supply lists for their students, and the school will purchase these items in bulk. **Parents are requested to purchase only the items listed below, in addition to paying the applicable supply fee for each class.** We have done our best to provide the most accurate pricing possible and hope this system will be beneficial for your family.

Supply fees must be paid by the first day of school.

Important Information

The first few days of school are very busy. If you are paying by cash or cheque, please place the payment in an envelope. Write your name and destination for funds on the envelope. If you would like a receipt, please specify this on the front of the envelope. Receipts will be issued at a later time.

Debit payments may be made at the front desk. E-transfers may also be sent to:
office@chsbrandon.ca

Thank you for your cooperation,

CHS Administration
