---

Dear Parents,

Every year a school supply list is sent out to each family for every grade represented in their home. This page has all the fees/requirements necessary for the 2022/2023 school year.

Each family, with a child at school full time, will be required to pay an annual fee of \$150 for lunch supervision.

Classroom teachers have made a pre-set list of supplies for their students and the school will buy them in bulk. **Parents are requested to buy the items below only, in addition to paying the supplies fee as stated for each class.**

We have done our best to get the best quotes and hope you find this system beneficial for you as well.

**The first few days of school are really busy. If you are paying via cash or cheque please place the amount in an envelope. Write your name and destination for funds on the envelope. If you would like a receipt please specify on the front of the envelope and a receipt will be issued at a later time.**

**Debit payments can be made at the front desk. E-transfers may also be sent to [office@chsbrandon.ca](mailto:office@chsbrandon.ca)**

Thank you for your cooperation,  
CHS Administration

**Parents will be asked to provide:**

- Back Pack
- Lunch box and utensils (fork, spoon)
- Headphones
- Reusable water bottle (**NO GLASS**)
- Indoor (non-marking) shoes, preferably running shoes that can double as gym shoes
- Skates and helmet for rink (bring in December)
